### Description

Valtra N135 Active tractor, a powerhouse of performance and innovation. This versatile machine comes with multiple PTO options (540/540E/1000) for all your agricultural needs. The advanced Sigma Power technology ensures efficient operations. Experience ultimate control with 4WD, heavy-duty hi-lock, and steering sensor. Enjoy air pressure set (APS), full suspension, and air brakes for a smooth ride. Four spools and power beyond provide seamless hydraulic control. Inside, the AutoComfort cab suspension, premium interior, and climate control offer unparalleled comfort. With Valtra Connect Service and GPS ready, stay connected and stay ahead in the field.

Front tyres: 420/85R28 - Alliance

Rear tyres: 520/85R38 - Alliance
