## Description

Discover the ex-hire Massey Ferguson 8S.205: a dynamic powerhouse packed with premium features. Cruise at 50kph, driven by a robust 205l/min hydraulic pump. Its multi armrest and multipad offer effortless control, while 4 spools, hydraulic power beyond, and PTO options provide exceptional versatility. Enjoy comfort with full suspension, adjustable steering, and SpeedSteer. Stay connected through DAB radio and control tasks via the 9" touch screen. Illuminate work with 16 LEDs, and find convenience in air conditioning, heated seats, and more. Unleash productivity with this advanced tractor.
