**Description**

The Fendt 210 V Gen3, a versatile and high-performance vineyard tractor. With its PTO options of 540/540E/1000rpm, this tractor can handle a variety of implements with ease. Cruising at a top speed of 40kph, it ensures efficient operation across the field. The addition of a Front PTO, 3 valves, and Power beyond further enhances its functionality and adaptability. Enjoy a comfortable working environment with automatic climate control, a premium comfort seat, and convenient power plugs. Stay equipped and aware with features like a rear-view mirror, 12" terminal, roof lights, LED warning lights, windscreen wiper and washer, and LED worklights. Seamless connectivity is facilitated through ISOBUS, while the wide front axle ensures stability and agility in all terrains. The Fendt 210 V Gen3 is engineered for optimal performance and operator comfort, making it an ideal choice for modern vineyard needs.
