**Description**

Used Manitou MLT 737-130 PS+ Telehandler, a robust and reliable solution for your material handling needs. This telehandler comes equipped with a powershift transmission that allows for smooth operation at speeds up to 40kph. The Manitou head stock and pallet tines ensure versatile handling of loads, while features like hydraulic locking pins, 3rd service, and rear pick up hitch with trailer brakes provide added functionality. Enhancing efficiency, the telehandler boasts a rear view camera, LED worklights, and LED Boom worklights for optimal visibility in various working conditions. Enjoy comfort and convenience with air conditioning, boom suspension, and a deluxe air seat. The 460/70R24 Michelin XMCL tyres, at 15-20% all-round. Invest in a telehandler that delivers performance and comfort – the Manitou MLT 737-130 PS+ Telehandler.
