### Description

A used Challenger MT775E, a powerhouse in the field of agricultural machinery. This robust tractor comes equipped with a range of features designed to enhance efficiency and comfort during operation. With 5x rear electric spools featuring pressure relief levers, a swinging drawbar, 3-point linkage, free flow, and power beyond capabilities, this tractor ensures versatility in various applications. The 1000rpm PTO, ISOBUS compatibility, and AutoGuide readiness further contribute to its cutting-edge technology. The control armrest with a C1000 terminal provides intuitive control, and it comes with the added convenience of TopCon AGI 3 & X30 for RTK via a base station network. The leather driver seat, heated and cooled, guarantees a comfortable ride, complemented by leather passenger seating, A/C, Bluetooth radio, and electric heated mirrors. Sun blinds all around, twin beacons, and a range of weights, including 8x 57kg idler weights each side, 9x 45kg track frame weights each side, and 22x 45kg front wafer weights with a tow pin weight, ensure optimal performance in any field condition. Tracks at 50% remaining and well-maintained rollers make this Challenger MT775E a reliable choice for your agricultural needs.

- ✓ 5 Electric spools with pressure relief levers
- ✓ 3-Point linkage
- ✓ Power beyond
- ✓ ISOBUS
- ✓ Autoguide ready
- ✓ Leather seat, (heating and cooling)
- ✓ Air conditioning
- ✓ Electric heated mirrors
- ✓ Twin beacons
- ✓ Rollers
- ✓ 9x 45kg Track frame weights each side
- ✓ Swinging drawbar
- ✓ Free flow
- ✓ 1000rpm PTO
- ✓ Control armrest with C1000 terminal
- ✓ TopCon AGI 3 & x30 (RTK via base station network)
- ✓ Leather passenger seat
- ✓ Bluetooth radio
- ✓ Sun blinds
- ✓ Tracks @ 50%
- ✓ 8x 57kg Idler weights each side
- ✓ 22x 45kg Front wafer weights + Tow pin weight
